

CHC33015 certificate III in individual support specialising in disability

course information

Are you looking to work in a rewarding industry that focuses on community engagement and building relationships with individuals?

According to the Victorian State Government Jobs & Training Needs Report 2018, occupations requiring a Certificate III in Individual Support are in high demand!

This qualification will give you the skills and knowledge to deliver individualised person-centred support to people requiring assistance in both community or residential based settings.

Part of your study will include a placement with an industry service provider for the disability sector. The course will be delivered over 12 months through both on campus and online learning.
